Honesty

Honesty means there are no contradictions or discrepancies in thoughts, words, or actions. To be honest to one's real self and to the purpose of a task earns trust and inspires faith in others. Honesty is never to misuse that which is given in trust.

A quote from St Mary of the Cross MacKillop

'In every difficulty apply to St Joseph with confidence and you will never be disappointed.'

Our Vision: To provide 21st Century Catholic Education, that enables children to strive for excellence, centred on the teachings of Jesus Christ.

'Empowered today for tomorrow's world'.

Tummy bugs ...

Currently there is a major tummy bug going around. Please keep children at home if they are feeling unwell. Children must have at least 24 hours since the last bout of diarrhoea or vomiting before they may return to school. We are reminding the children of the need to wash hands after using the bathroom and before eating.

SPECIAL CATHOLIC CHARACTER

Holy Spirit Strand

This term, children will be learning about different aspects of the Holy Spirit and how the Holy Spirit helps us to live a good life. Please check out your **Family-Whanau book**.

What I am learning:

Year 1 - That the Holy Spirit is God; I cannot see the Holy Spirit, but things about me remind me that the Holy Spirit is here to help me be as God wants us to be.

Year 2 - Ways that people who believe in God can respond to the Holy Spirit; Ways that the Holy Spirit is present in the Church

Year 3 - About the Fruits of the Spirit; How the Holy Spirit helps us receive God's love and bear the fruits of the Spirit; How sin is opposite to the life of the Holy Spirit but the Holy Spirit can help us when we sin

Year 4 - the meaning of Pentecost and how it made the Church and the Trinity known; How the Holy Spirit helps Jesus keep His promise to be with us forever; How the Holy Spirit helps us to live like Jesus and to know God the Father

Year 5 - About the meaning of various titles and symbols of the Holy Spirit; That the Holy Spirit gives grace, tapu and mana to God's people.

To be continued...

SCHOOL PARKING – REWI STREET

Simon Brdanovic and I have attended a meeting requested by the Waipa District Council in response to complaints they have received from our neighbours regarding parking issues on Rewi Street. They have noted the notifications we have placed in our newsletters and the requests from staff for parents to park appropriately.

However, these issues continue.... ie

- **Parking across driveways**
- **Parking on yellow lines**

WDC will be making a formal approach to the NZ Police to actively patrol the area before and after school with instructions to issue tickets to offending motorists. Our neighbours (notice we are talking about more than one neighbour !!!) have been very patient – but the constant offending is wearing their patience thin !

The bottom line for the school is – safety – and in our case, children's safety and this is exactly why rules such as not parking on yellow lines and across driveways exist....
