RIPPA RUGBY

Tuesday 16th June was an amazing warm day and what a day to be at the Rippa Rugby Tournament 2015 in Hamilton. St. Patrick's had a Year 5 and 6 team and a Year 7 and 8 team, playing against Hamilton schools and schools as far as Matamata and Taupo. Both teams represented our school with skills and determination, however not progressing into finals.

Our Year 7 and 8 team played against two of the teams we will face at Sports Camp and it was a great opportunity to size up the competition.

Our Year 5 and 6 team have a focus for 2016 and what skills we need to sharpen up on.
