The Charism for this week is: **CREATIVITY**

Signs of excellence.....

- Seeing the possibilities in all situations.
- Asking the 'what if' questions.
- Being curious about our world and our place in it.
- ...I can do this!

'I WILL DO MY BEST.'

21st Century Learning...

There is a letter coming home that will update you on where we are at, as our school really moves into a high speed digital environment. The final switch-over is planned for Monday afternoon and from that point on, we will be operating via the ultra-high speed fibre network.

As you can see, from the information (also sent digitally to email addresses and on Facebook), the facilitator currently working with the school will be at the parent evening on Monday evening. This will be really informative....

Pray for us

A reminder.... There is **NO** Teacher Only Day tomorrow. Our school will open as usual!!

Our Vision: 'To provide 21st century learning in a Catholic environment which empowers children to strive for excellence'.

Making an Overall Teacher Judgements (OTJs)

This process involves teachers collecting a range of data about your child. This includes formal testing, observations, work and discussions about learning with your child. As part of the process your child contributes to the making of this OTJ.

Most students, will be receiving an *interim progress report* that will come home later this term. On this report there will be (for Reading, Writing and Maths):

1. An indication about how your child is progressing against the relevant standard.
2. How your child is progressing against the goals that were set at the goal setting conferences.
3. Your child's next steps in learning.
4. There maybe a statement if there are other points that need to be discussed by the student, parents and teacher in regards to learning or challenges to learning.

Parent Evening – 21st Century Learning...

Come along to Room 11 this Monday at 5:30pm to see how 21st Century Learning looks in the classroom and some of the things your child may be doing once we begin our BYOD journey. Check your email for the invite and please rsvp if you would like to attend.
